Beekeeping Supplies

Assembled woodenware kits:

Our assembled woodenware is from eastern white pine, made by us and Amish woodworkers. The assembled crimp-wire frames are glued, stapled, and cross-wired (stronger than support pins), and are made by our employees during the down time of winter.

Complete Beginner's kit:

This kit comes completely assembled and will only need painting. It includes:

- Pine hive stand
- Varroa screen bottomboard
- 2 assembled 9 5/8" deep brood chambers
- 20 assembled 9 1/8" wood frames (Choice of foundation)
- Inner cover
- Telescoping outer cover with galvanized metal top
- Small stainless steel smoker 4x7
- Hooked end hive tool
- Plastic beekeepers helmet
- Goat skin gloves (xs, sm, md, lg, xl)
- Your choice of square or round veil
